PROFILE

I am a very hard working, independent, individual. I have a background in athletics and recently, hospitality as I am a certified spray tan artist and have spa and restaurant experience. I have a passion for working on the water, diving, and taking care of guests. I love to fish and have done so in the Abacos, Cabo San Lucas, and Southern California. I am a current double business major and retired D1 college volleyball athlete and I plan on taking these skills aboard. I am a strong team player and understand the importance of hard work and cooperation on board. As school is online for this semester, I have taken advantage of my time getting certified and working charters or owners trips on the weekends.

OBJECTIVE

I am seeking a permanent position on a 40+ m. M/Y as a junior stewardess or a deck/stew. I am eager to take on any roles and to further my experience working on yachts. I believe I can contribute to the atmosphere of the boat through my positive attitude, work ethic, and the desire for the team to be as successful as possible.
